2012-13 Meeting Dates and Deadlines: Ad Hoc Interdivisional Curriculum Committee

On the recommendation of the divisional committee chairs and vice chairs, the University Committee has appointed an ad hoc interdivisional curriculum committee that will review all course proposals from all four divisions during the 2012-13 academic year. The ad hoc committee will make a recommendation to the Faculty Senate in spring 2013 on whether such an interdivisional curriculum committee should become a permanent body.

The ad hoc committee will typically meet on the fourth Friday of each month during the 2012-13 academic year. Specific dates are listed below. **All items for the agenda must be received by divisional committee staff by noon two weeks before the meeting.**
