Athletic Training Program

Observation Experience Documentation Form

Complete a minimum of twenty (20) total hours of volunteer or observation experiences in athletic training. Students must gain experience in at least two different locations. Each experience must be a minimum of (10) hours in length. Documentation of the experience (forms signed by certified athletic trainers) must be submitted along with application materials by the February 1 deadline.

Student may seek observational experiences in any setting employing a certified athletic trainer where the athletic trainer is performing job duties consistent with the BOC Role Delineation domains of athletic training.

If you have any question about the setting in which you wish to take part, please contact the director of the Athletic Training Program, Dr. Andy Winterstein, before beginning.
