RE: PROGRAMS COMMITTEE MEETING

Friday, February 7, 2020

12:00-2:00 PM, Room 198 Education Bldg.

If you cannot attend, please find a substitute and inform Maddie Sychta, sychta@wisc.edu. Faculty substitute for faculty (same department) and students substitute for students (graduate or undergraduate, and same department). A simple majority of the Committee's voting membership constitutes a quorum.

Within a few days after the meeting, Programs Committee staff will report outcomes and changes back to the appropriate departmental faculty/staff contact and the departmental Committee representative. If changes are required, Committee staff will forward to the next level of review once these changes are made. We ask course proposers to indicate that changes have been made via an entry in the "Comments" section of the course proposal system.
